

Monthly Update

March 2009 – Week 2

Welcome to the second weekly update for the the last month of our revised club competitions for the 2008/2009 year. The thirtieth nominated race in the Club Championship is actually any Banstead Woods Time Trial during the month of March. So, all four March Time Trials count towards the Handicap and Age-Graded competitions.

Both Club Championships went into March with unstoppable leaders, Nicola and Keith. Points in this competition will be awarded for the March Banstead Wood Time Trials at the end of the month when a member's fastest time from any of the four Time Trials will be used to award points.

However, both Handicap and both Age-Grading Competitions were still not settled going into March. As the competitions are still tight, weekly updates are being issued.

Andy closed the gap on Martin to 9 points in the Handicap, with Steve moving to third place. Kate is now only 1 point ahead of Nicola, in the closest contest of all six club competitions.

Martin and Nicola stretched their Age-Graded leads to untouchable levels. So congratulations to both of them, especially to Nicola who is now just one point, in the Handicap, away from a clean sweep of the Ladies titles.

Changes in points awarded

Please note that there are some very minor changes to points from the Valentine's 10km race in February. Alison was missed off the results on the website and so was missed out of the calculations for the competitions. The results mean that most members' points actually rise by a point. There are no changes to the overall standings.
