#### INFORMATION ABOUT THE COURSE

This is a ten-week beginner's running training course designed to take you from a complete standstill to the goal of running our local 5km "parkrun" Roundshaw Downs non-stop (which will most likely take you between 30 - 40 minutes to complete) on Saturday 20 November at 9am.

We recommend that you run on two additional days each week. This means you need to be able to commit to your plan. These additional sessions will be given to you as homework so you know how long you should be going out for.

#### WHAT YOU WILL NEED

**Running shoes** – You need to ensure your shoes are well cushioned, fit well and are supportive. Good local shops include Runathon, in Surrey Street, Croydon and RunToLive, in Ashted, Surrey. They can advise you on what brand and style is best for your needs. If you are a beginner tell them. They will not have any interest in persuading you to buy the most expensive pair as they will want to provide you with running shoes that are right for you and will hope that you will come back again for your next pair.

**Sports bra if female** – Normal bras reduce breast movement by around 35 per cent, but a good sports bra achieves closer to 60 per cent. A- and B-cup sizes normally suit crop-top styles; larger sizes require moulded cups; and either way you should look for a bra which has been designed for high-impact activities. In addition to the shops mentioned you can also try these sites amongst many others:

**Stopwatch/digital watch** – You don't need an expensive stop watch. A very basic Casio wristwatch is available from Argos for about £6. Most mobile phones have a stop watch too but they can be a bit difficult to see.

Please Note: A place will be reserved for you when your completed registration form and payment is received.

Numbers of participants on the course are limited. A refund cannot be given if you sign up to the course and then give up or have to drop out once it has started. Due to the progressive nature of the Beginners course your place cannot be taken by another person once the course has started.
